

GWS1

GWS2 - AB

GWS3 - AB

Windows drawn are to suit a 630mm by 1060mm window opening.

Sizes can be amended to suit any width or height; excluding the semi-circular and triangular pediment as these are supplied to suit a single window surround at 630mm opening

When ordering please pick the code relating to how many opening are needed. Then, if required, postfix it with the desired letters, eg GWS3 - AB is for 3 windows and has the extra A and B unit on above.

NB - The units with code C & D can only fit the GWS1. Other sizes can be made to order
